

Collaborating in the Cameron Kitchen

IPC has joyfully joined with Pittsford Presbyterian to prepare a hot lunch in the Cameron Kitchen the second Monday of each month. This month, Chef Laurie and Norma joined with Jackie and Cindy from Pittsford Presbyterian to prepare a shrimp creole dish. If you are interested in joining our cooks in the Cameron Kitchen, talk with Chef Laurie.

Supporting the Cameron Kitchen this summer...

Cameron anticipates a shortage of food the month of June when Foodlink shuts down to complete their annual inventory. Our folks who prepare the meals at Cameron depend on much of the food to come from the food pantry at Cameron. Pittsford Presbyterian is heading up an effort to supply Cameron with **5 staple items that will be in high demand for preparing hot meals** and is asking fellow churches to help out with this food drive. **IPC is joining in this effort and launching a donation drive May 20th – July 20th. A table to collect food items will be set up in the Sanctuary.**

The items listed below are the requested food items we will be collecting starting May 20th.

Tomatoes – Whole or Diced
Cooking Oil

Goal

300 lbs. (any size package)
